

2019 REPORT TO THE COMMUNITY

**LONGMONT
COMMUNITY
FOUNDATION**

Improving Life in the St. Vrain
Valley Through Philanthropy and
Charitable Leadership

President's Message - A Challenging Environment

It is difficult to reflect on the accomplishments of 2019 without recognizing the current challenges our community and our world face during the COVID-19 pandemic.

To provide help in the community, the Longmont Community Foundation granted \$185,000 through our *Neighbor to Neighbor Fund* in support to nonprofit organizations who are helping those affected or impacted by COVID-19. Through the *Strongmont Fund*, the Foundation and Advance Longmont partners have provided \$223,000 to aid small businesses as they navigate reopening and our current business climate. *Strongmont 2* is our second wave of small business funding and the board unanimously approved this second cycle to be aimed at providing support to businesses owned by people of color. Thanks to the efforts of the Strongmont 2 Committee and generosity of donors, we were able to provide \$100,000 of support.

This is in part due to the Foundation's effort to re-examine how diversity, equity and inclusiveness should be paramount to everything we do at the Foundation. We represent the entire community and our actions should demonstrate how we live our values. One of our first actions was to adopt a new diversity, equity, and inclusiveness statement (DEI). We, as well as other institutions, organizations are on a journey to making our practices more inclusive. To this end, everything we do is under the scrutiny of the DEI 'lens'. We can't promise that we're perfect, but we can promise that we are moving intentionally in this work.

I wish to thank and recognize the support of our donors who provide most of the grants from the Foundation through their donor advised and other specialty funds. Due to their involvement, we accomplished the following in 2019:

- **\$3 million in grants** to support nonprofits that focus on animals, arts, civic, education, environment, health, and human service issues. We have now granted out in excess of \$14 million since our founding in 1994.
- **\$72,000 in scholarships**, furthering education opportunities for those students attending a 4 year, community college, or trade or vocational school
- **Welcomed the Longmont United Hospital Foundation** as a partner for their mission activities and philanthropic directives
- **Welcomed our 220th fund in 2019** and now manage \$18M in assets. These include: Family Funds, Agency Funds, Agency Endowments, Giving Circles, Business Funds, and Specialty Program Funds.

The Longmont Community Foundation relies on an extraordinary group of volunteers that serve on the Board of Trustees, as well as our Grants, Scholarship, Investment, and Live & Give Longmont committees – just to name a few. The Board of Trustees and I are very grateful for our volunteers' contributions and to our extraordinarily dedicated and talented staff.

Stay safe and Be well.

Dale Bernard,
President, Board of Trustees

We represent the entire community and our actions should demonstrate how we live our values.

Scholarships

In 2020, the Longmont Community Foundation awarded \$110,500 in scholarships to 43 students and 1 non-student. This is a remarkable testimony to the generosity of our community. Our students are pursuing higher education in nine different states. 14% of our scholarships went to first generation college/trade students and 59% of our scholarships are renewable.

Education	\$6,000
Science and Technology	\$42,500
Health and Medicine	\$17,000
Trade	\$15,000
Engineering	\$16,500
Arts	\$2,500
Public Service	\$1,000
Non Student	\$10,000
Grand Total	\$110,500

Scholarship Update

This past scholarship cycle we awarded \$110,500 in Scholarships! This is an increase of \$35K. Due to the continued generosity of many Longmont-area donors we awarded nine new Ascend St. Vrain Scholarships. We renewed eight Ascend St Vrain Scholarships. We are very grateful for every gift we receive. Please consider making a donation or leaving Ascend St. Vrain in your will or estate plans. Here is a glimpse of a few of our scholarship recipients.

Lindsay Slama

Ascend St Vrain Scholarship Recipient attending Colorado State University where she will be in the CSU Honors Program and the Honors Undergraduate Research Scholars Program. She will major in biology. She is very appreciate for the financial support from the donors as after her undergraduate education she plans to attend graduate school to specialize and do research in conservation biology.

Riley DuFour

Joey Irwin Scholarship Recipient Riley is preparing for an occupation in Gunsmithing. He will attend Trinidad State Junior College in the fall. He loves being in the shop working with machines, tools and fixing things. Riley says when he learned he was selected as a recipient, he was ecstatic. He is very appreciative for the opportunity this scholarship is giving him to pursue his interests.

Nicole Soto Ramirez

St. Vrain Habitat for Humanity Scholarship Recipient As a first generation college student, Nicole is grateful to the donor for the opportunity this scholarship presents to her. She will be attending Front Range Community College for two years and then will transfer to a University in Colorado to complete her bachelor's degree in psychology. She hopes that someday she will be able to help students like the donor has helped her.

Congratulations to this year's YOUR Story Award Winner *Integral Steps*

“Caleb has taken Integral Steps classes since 2015 when he was 2 years old. Due to several traumatic events, including a serious car accident and a hailstorm that disrupted home stability, he was so anxious he would not even speak in class. Our classes, which integrate music, movement, Spanish, and art in a holistic way, helped him develop physical, mental, and social/emotional balance. He now volunteers new ideas, joyfully creates with classmates, and presents his artwork at local libraries.”

Founded in 2012, Integral Steps is a non-profit organization based in Colorado, USA, focusing on integrative education for individuals, families and communities. Integrating different learning modalities, our programs provide unique experiences that allow participants to feel positively challenged and encouraged to grow. Our approach is based on extensive research on early childhood development, brain development and skill acquisition.

Sharing the NextLight expands

Free connection now offered for Grandparents and caregivers of Longmont St. Vrain students

Since 2019, Sharing the NextLight has offered a free home internet connection and router to Longmont families whose children attend St. Vrain Valley schools and qualify for free or reduced lunch. In August of 2020, the community-owned fiber-optic internet service, Longmont Community Foundation and Longmont Children, Youth & Families announced that grandparents and designated caregivers of those students would also be eligible. “Due to COVID-19, remote education has become more important than ever,” NextLight Executive Director Valerie Dodd said. “But for many families with working parents, keeping their child at home simply isn’t an option. We’re meeting these families where they are to ensure that no one gets stranded on the wrong side of the ‘digital divide’ and that learning can continue even when in-person classes do not.”

The program is a partnership of NextLight, the Longmont Community Foundation, and Longmont Children, Youth & Families (CYF). Interested families can receive an application by calling Children, Youth & Families at 303-651-8580 or by going online to www.longmontcolorado.gov/SharingTheNextLight. Applicants must live in an area where NextLight is currently available.

NextLight[®]
LONGMONT'S GIG INTERNET

NextLight customers who want to assist the program can have a donation added to their monthly bill by calling NextLight customer service at 303-774-4494.

Donors who are not NextLight customers or who wish to make a one-time gift may give through the Longmont Community Foundation. Since its inception, the Sharing the NextLight program has raised nearly \$50,000 to provide services to children and their families in Longmont.
