

2021 REPORT TO THE COMMUNITY

**LONGMONT
COMMUNITY
FOUNDATION**

President’s Message

Throughout this past year, I’m proud of the efforts of our community partners and the efforts of the Board of Trustees to fulfill our mission of improving life for all in Longmont and the St. Vrain Valley. I’m proud to share some of our highlights from 2021:

- **\$2.3 million in grants** to support nonprofits that focus on animals, arts, civic, education, environment, health, and human service issues.
- **Awarded \$125,400 in Scholarships** to further the education opportunities to students attending four year colleges, community colleges, or trade or vocational schools.
- **Engaged in a year-long Equity Audit with Kebaya Consulting.** This work has been eye opening and impactful – not only on how the Foundation does its work but also for board and staff members personally. A summary of findings from the Equity Audit report will be shared with our community very soon.
- **Recruited excellent talent in our community to serve on our Board of Trustees.** Welcome to Tedd Davis. Learn more about Tedd on our website
- **Endorsed Proposition 123** which helps provide funds into the community for affordable housing on many spectrums of need (from homeless services to homeownership)
- **Successfully launched Hope Direct with HOPE** – An effort in partnership with Homeless Outreach Providing Encouragement (HOPE) to improve the lives of individuals in Longmont by providing direct assistance to help with living expenses (car repairs, health care costs, rental deposits, etc.). HOPE case managers identify candidates for this test program that aims to elevate people’s lives.
- **Launched the St. Vrain Independent Living Fund** - Provides financial assistance to people with intellectual and developmental disabilities (IDD) living independently or seeking to live independently. This award’s intention is to fund items/services that are not funded by traditional government aid programs and that help people with IDD live dignified and independent lives.

The Longmont Community Foundation relies on an extraordinary group of volunteers that serve on the Board of Trustees, as well as our scholarship, grants, investment, and Live & Give Longmont committees – just to name a few. The Board of Trustees and I are very grateful for our volunteers’ contributions.

Sam Napp,
President, Board of Trustees

I’m proud of the efforts of our community partners and the efforts of the Board of Trustees to fulfill our mission of improving life for all in Longmont and the St. Vrain Valley

Sam Napp
President, Board of Trustees

A Tremendous Legacy For Our Community

The Longmont Community Foundation is honored to receive a \$1.5M estate gift from the Bud and Ruth Johnson Estate. Per their directives, the gift was split between the Live and Give Longmont Fund, which provides support to nonprofits each year and the Ascend Scholarship Fund, which financially helps students with their 4 year, 2 year college or trade/vocational studies and/or training. The Foundation is grateful to Financial Planner Dave Schrieber for facilitating the gift.

Bud and Ruth Johnson were married for 67 years, raised 4 children. Ruth preceded Bud in death in 2017. Bud served in the US Army during World War II, and founded a successful consulting engineering firm in 1956 that still bears his name, after 65 years in business. As lifelong residents of Boulder County, Bud and Ruth saw unimaginable changes in the Boulder area, the state of Colorado, and in the world. He met Ruth, the spirited daughter of Norwegian immigrants, at the University of Colorado, where both of them were members of a

university hiking, skiing, and outdoor adventure club, married her at the age of 23, and bonded with her for life.

Bud and Ruth were kind, very generous, and loved the outdoors. Bud and Ruth brought grace, wisdom, and a quiet humility to everything they did. We are honored to have known you and are so grateful for the legacy you left to our community and our students.

Special Thanks

Thanks to Dave Schrieber of Edward Jones and his team for working with Bud and Ruth Johnson to establish such an impactful gift to the community.

In the spring of 2023 the Longmont Community Foundation will launch a Legacy Society to recognize all those that have or will contribute an estate gift to the Foundation. These champions further the notion of helping improve our community forever. We grateful for Dave and other advisors that encourage generosity with their clients.

To learn more about our Legacy Society, please contact Eric at 303-678-6555 or eric@longmontfoundation.org

We Bid Farewell To Fran

We were saddened to lose one of the most amazing forces in our history this year. After 107 years of an amazing life, Frances (Fran) McCarty passed on June 1, 2022.

Fran was born on December 21, 1914 to Slovakian immigrant parents, John and Frances Russek in Narrows, Harney County, Oregon. Her mother died a month after giving birth. Her father moved them to Tacoma, and later, Seattle, Washington. She was raised with help from Emma, John's second wife, and nuns at Visitation Villa, a Catholic Convent. She graduated from Broadway High School and worked part time in a bakery. As the country was recovering from the Great Depression, she traveled alone to Seward, Alaska where she immediately found work in a bakery. After several years, she returned to Seattle and worked at the Bon Marche Department store where she supervised 35 to 50 young women.

During World War II, she met the love of her life, Major David Wilson McCarty, M.D., who was serving as a doctor at Boeing

Field. They married on July 7 1945 and, at the conclusion of the war several months later, they moved to Longmont, Colorado, for Dave to resume his medical practice. They also started their family consisting of David (Dave), John, Robert (Bob), and Frances Ann (Francie).

Fran was a member, Sunday School Teacher, Deacon, and Elder at Central Presbyterian Church Longmont and later, a member of Calvary Church Longmont. She was a board member, and longtime volunteer of the Longmont Community Foundation. She was a founder of the Longmont Hospital Auxiliary, a member of San Sucie and Tuesday Bridge Clubs, a Study Club, and a member of Chapter M PEO. She delivered Meals on Wheels, and loved and supported the work done by the Longmont Humane Society and A Woman's Work. Fran and

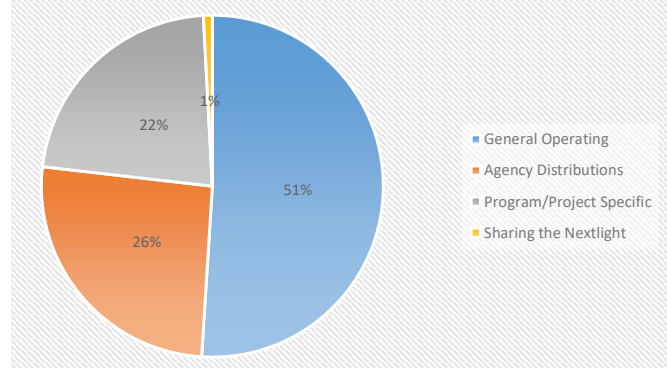

Dave visited all of the state capitals, and traveled the world together. Losing her beloved Dave in 1988 didn't slow her down. In the 20 years between 1994 and 2014, she took as many as 20 family members on 18 different trips.

Fran is a champion of the Longmont Community Foundation and we miss her smile, amazing wit and compassion.

Grants

Thanks to the generosity of our community, we distributed \$2.3 million in grants in 2021

2022 Scholarship Update

This past scholarship cycle we awarded \$125,400 in scholarships to 42 students. This is a remarkable testimony to the generosity of our community. For our 2022 high school recipients; 6 are first generation, 4 pursuing trade and overall average GPA was a 4.09. For our 2022 college aged; 2 are first generation, 2 were past LCF recipients and average GPA was a 3.81.

Due to the continued generosity of many Longmont-area donors we awarded six new Ascend St. Vrain Scholarships and renewed nine Ascend St Vrain Scholarships. We are very grateful for every gift we receive. Please consider making a donation or leaving Ascend St. Vrain in your will or estate plans.

Here is a glimpse into a few of our recipients.

Sadie Connolly

Ascend St Vrain / Madeline Marie Molzahn Sherrod Scholarship

Sadie graduated from Niwot High school. She is attending University of Denver to pursue a degree in Chemistry. After undergrad, her desire is to attend medical school and become a surgeon. Outside of school, she loves to ski, hike, explore trails on her gravel bike and play ice hockey. Her favorite place to volunteer is at the Colorado Therapeutic Riding Center.

Gregory Stark

Page and Elizabeth Jenkins Scholarship

Gregory is currently a PhD student in the Department of Geology & Geophysics at the University of Wyoming. He received his undergrad bachelor's degree in geology in 2007 from the University of Iowa. He spent nine years working as an environmental consultant in Kansas City, MO. He is studying the evolution of the Jemez Volcanic Field of northern New Mexico, as well as two volcanoes in the Democratic Republic of Congo.

Elizabeth Ferenandez Salas

Arapahoe Pass Scholarship

Elizabeth graduated from Centaurus High School. She is attending Colorado Mesa University to pursue a major in biology and minor in forensic investigation. She would like to be a forensic investigator. She loves to play basketball, trying new foods and being with family. Elizabeth will be the first in her family to attend college.

Samuel Adams

Ascend St Vrain Scholarship

Sam graduated from Longmont High School. Sam is attending Front Range Community College to earn his associates degree in welding. He was voted All Conference, First team lineman, and honorable mention defensive lineman. As a wrestler, he was a regional placer and State qualifier.

2022 Marketing Updates

Within the Community

In efforts to highlight community stories, we have created 5 minute videos showcasing a nonprofit partner. These videos present the stories of how they started, why they are important in the Longmont community, and how the Longmont Community Foundation has been a part of their journey. The full videos were released once a week on YouTube with a short 30 second video posted on social media. The first set of videos were posted in the month of September within Hispanic/Latine/x/o/a Heritage Month.

These videos have increased Longmont Community Foundation's reach on YouTube. This means, there is now a greater audience that knows about the foundation and can visit our website. Thanks to SEO and the YouTube algorithm, these videos will be pushed to more people as views and likes continue to go up.
